## **PERFORMANCE PLEDGE**

### **2016 - 17**

This performance pledge summarizes the services provided by Radio Television Hong Kong (RTHK) and the standards you can expect. It also explains the steps you can take if you have a comment or a complaint.

#### ***1. Hong Kong's Public Service Broadcaster***

RTHK is the sole public service broadcaster in the Hong Kong Special Administrative Region (HKSAR). Its primary obligation is to serve all audiences - including special interest groups - by providing diversified radio, television and internet services that are distinctive and of high quality, in news and current affairs, arts, culture and education. RTHK is editorially independent and its productions are guided by professional standards set out in the RTHK Producers' Guidelines.

##### ***Our Vision***

To be a leading public service broadcaster in the new media environment

##### ***Our Mission***

- ✧ To inform, educate and entertain our audiences through multi-media programming
- ✧ To provide timely, impartial coverage of local and global events and issues
- ✧ To deliver programming which contributes to the openness and cultural diversity of Hong Kong
- ✧ To provide a platform for free and unfettered expression of views
- ✧ To serve a broad spectrum of audiences and cater to the needs of minority interest groups

#### ***2. Corporate Initiatives***

In 2016 - 17, RTHK will

- ✧ continue to enhance participation by stakeholders and the general public with a view to strengthening transparency and accountability; and will receive advice from the Board of Advisors on issues pertaining to its terms of reference;
- ✧ maximize return on government funding by further enhancing cost efficiency and productivity;
- ✧ continue to ensure staff handle public funds in a prudent and cost-effective

manner;

- ✧ actively explore opportunities in generating revenue for the government from RTHK programmes and contents;
- ✧ provide media coverage and produce special radio, television programmes and related web content on topical issues of concern or interest to the public, including anniversary of the establishment of the HKSAR, National Day, Chief Executive's Policy Address, the Financial Secretary's Budget Speech, Voter Registration Campaign, the 2016 Legislative Council Election and the 2017 Chief Executive Election;
- ✧ produce, commission, repackage and acquire new quality programmes of interests to the public for broadcasting through the analogue and Digital Audio Broadcasting (DAB) radio channels and the Digital Terrestrial Television (DTT) channels and analogue television channels;
- ✧ proceed with transmission of programmes on the two analogue television channels vacated by Asia Television Limited (ATV) in April 2016;
- ✧ continue to extend the DTT network coverage by building the remaining fill-in stations and inter-connecting with cable network operator; and
- ✧ proceed with re-planning of the construction of the New Broadcasting House in Tseung Kwan O with an aim of working out a proposal which is the most cost-effective and responsive to the opinions of the Legislative Council Public Works Sub-Committee.

### **3. *Radio Services***

- (I) RTHK operates seven analogue radio channels (four in AM and three in FM) and produces about 1,000 hours of programmes weekly of different genres in Cantonese, Putonghua and English. Five DAB channels have been in operation since 2012, and audience has a choice of better reception quality for the RTHK AM channels through the partial simulcast in DAB 31, DAB 33 and DAB 35. One channel, DAB 32 is dedicated to relay the Hong Kong Edition of the China National Radio. Programmes of the Community Involvement Broadcasting Service, including those produced in ethnic minority languages, are broadcast on DAB 31.

# **RADIO TELEVISION HONG KONG**

## **PERFORMANCE PLEDGE**

### **2016 - 17**

#### ***(I) Typhoon/Bad Weather Information***

RTHK radio channels broadcast updated weather information every 15 minutes when typhoon signal No. 8 or higher is issued. If schools need to be closed because of typhoon or bad weather, announcements will be made before 6:15 a.m. for morning classes and before 11:00 a.m. for afternoon classes on notification from the Government Information Services or other Government bureaux or departments.

Weather information (including temperature, humidity and weather icons) collected from the Hong Kong Observatory are displayed on RTHK TV32 24 hours a day. Typhoon signal No. 1 or higher and rainstorm signals (ember, red and black) are displayed on RTHK TV31, TV33, TV31A and TV33A as and when necessary.

#### ***(II) Follow-up Action on Calls to Public Affairs Programmes***

Our radio channels act as a platform for the public to voice their opinions on topical issues. On-air calls that require action will be followed up, and a reply will be given or the matter will be referred to the appropriate authorities within 8 calendar days.

#### ***(III) Captioning of TV Prime Time Programmes for the Hearing Impaired***

In 2016 - 17, RTHK will continue to provide 100% subtitling of prime time television programmes consistent with the licensing requirement of the commercial free-to-air terrestrial broadcasters.

#### ***(IV) Advice on Radio and Television Reception***

For advice on problems with reception of our radio broadcasts, please contact our Duty Engineer at 2339 6440. For advice on coverage and reception of our DTT and analogue television broadcasts, please contact us at 3403 0431.

#### ***(V) Video Library***

#### **(VI) *Audio Archives***

Selected radio programmes are available for borrowing from the City Hall Library and Shatin Central Library. For more details, please call our Librarian at 2339 6445.

#### **(VII) *Service Hotline***

The RTHK Service Hotline 2272 0000 is an interactive voice response system which allows listeners to dial in to listen to news summary and radio programmes from any RTHK channels. Users can select content in Cantonese, English or Putonghua.

### **7. *Programme Advisory Panel Meeting***

In 2016 - 17, annual Programme Advisory Panel meeting will be held to collect views on programming development for radio, television and new media services. Some of the ideas raised may subsequently turn into programme initiatives or use as reference for future programme development.

### **8. *Producers' Guidelines and Programme Standards***

In September 1998, RTHK published a set of working guidelines to reflect and codify established editorial practices for producers to follow. The document was last updated in May 2015, and is available on the RTHK website <http://rthk.hk>.

RTHK is committed to complying with the Codes of Practice on programme standards issued by the Communications Authority. The Charter of RTHK setting out RTHK's voluntary compliance with the Codes was signed between the Chief Secretary for Administration, the Chairman of the then Broadcasting Authority and RTHK in August 2010.

### **9. *Effective Monitoring - Opinions, Suggestions and Complaints***

**RADIO TELEVISION HONG KONG**  
**PERFORMANCE PLEDGE**  
**2016 - 17**

RTHK welcomes opinions and suggestions and will also look into complaints to identify room for service improvements.

If you have opinions, suggestions or complaints, please write to us or leave your message with our Service Hotline at 3691 2388. Where a written reply is expected, we will acknowledge receipt within 10 calendar days and strive to issue a substantive reply within 30 calendar days or keep you informed of the progress if it may take longer for a substantive reply. If you feel that your case has not been dealt with adequately, you may write to the Director of Broadcasting at the address below. You may also lodge a complaint with the Broadcasting Branch of the Office of the Communications Authority if the matter is within their purview.
